FIVE-YEAR WATERFRONT TREND

While the number of sales in 2018 is down markedly over recent years as a result of fewer international buyer purchases, a handful of notable sales drove value markers up, creating the artificial appearance of appreciation when price growth was relatively flat in 2018. Those sales include three Media and Points properties sold above \$14 M, a record Lake Sammamish sale above \$11 M, a Mercer Island sale above \$13 M, and a Laurelhurst sale at \$11 M.

This top-level overview of the entire Seattle-Eastside private waterfront market, including Mercer Island and Lake Sammamish, provides a glance into the trends occurring in our region over time. Interesting, and certainly insightful, it in no way replaces an in-depth analysis on waterfront value provided by a savvy broker with years of local waterfront experience.

WATERFRONT COMMUNITIES

Mercer Island

Mercer Island's private waterfront homes are situated along the shores of Lake Washington around the perimeter of the Island. While it's an island, Mercer Island is connected to Seattle and Bellevue

via Interstate 90 making it an ideal location to commute to either metro locale. The sunny west side of the Island benefits from afternoon sun, Seattle views, and spectacular sunsets. The rugged eastside is more forested in true NW style with brilliant sunrises and afternoon shade.

Eastside

The Eastside's private waterfront is sited along Lake Washington from just north of St. Edwards State Park to Newcastle Beach Park; encompassing the cities of Kenmore, Kirkland, Bellevue, Medina, Newcastle and Renton. This region includes many desirable points, bays and vistas—especially those centrally located in the Yarrow Point, Hunts Point and Medina.

Most Eastside waterfront homes enjoy exceptional sunsets from their vantage point along the eastern shoreline. Many homes feature Seattle or Bellevue city skyline views and low/no-bank waterfront providing level beach access and spacious docks.

Seattle

Notable waterfront communities along Lake Washington include Matthew's Beach, Sand Point, Windermere, Laurelhurst, Mount Baker and Leschi.

On Puget Sound, private waterfront homes are located just north of Discovery Park along the inlet to the locks, in Magnolia along Perkins Lane, and in West Seattle along Alki and Fautleroy.

A bluff and the Burlington railroad track run from Richmond Beach past waterfront landmarks such as Carkeek Park, Golden Gardens, Shilshole Bay, and the Ballard Locks separating many prominent water view communities from the waterfront.

Lake Sammamish

Lake Sammamish is the sixth largest lake in the state of Washington, located 8 miles east of Seattle and just north of the I-90 corridor.

The lake is an outstanding freshwater community with a 24-mile circumference and an abundance of local recreational activities. It is bordered by two large and active regional parks—Marymoor Park and Lake Sammamish State Park.

The sunny east side of the lake benefits from afternoon sun and stunning sunsets. The shady west side boasts morning sun and is more likely to offer forested protection from the elements. Lake Sammamish enjoys convenient access to Bellevue, Seattle and the Microsoft campus.

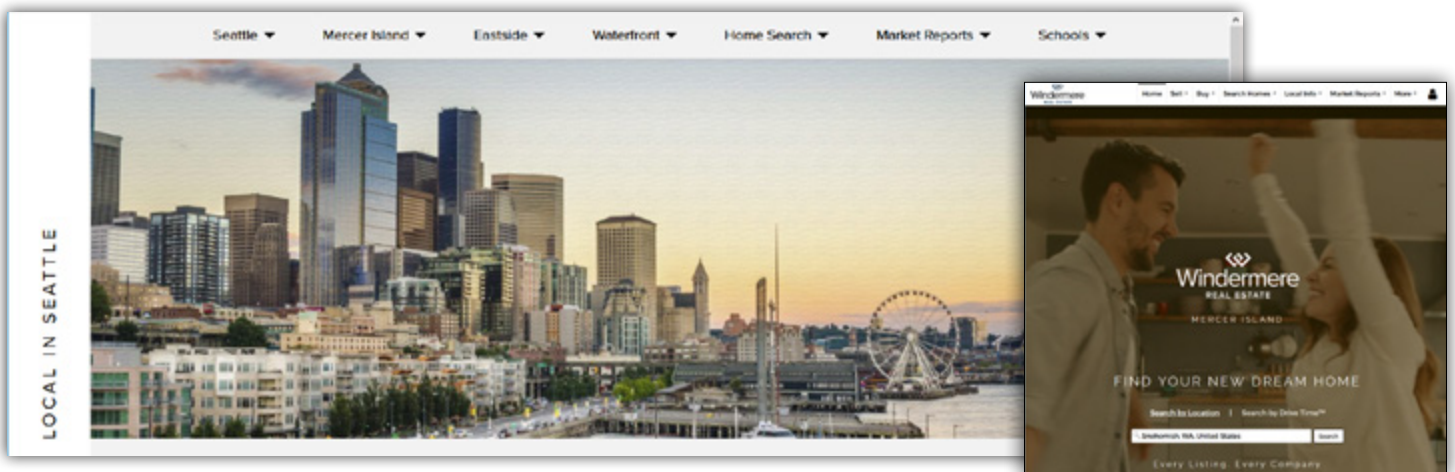

A savvy way to search
HOMES & STATS ONLINE

Looking for real-time information on today's real estate market? If so, your search is over!

We publish weekly residential and waterfront reports, along with monthly and quarterly overviews, to **LocalinSeattle.com**, providing a summary analysis of what's happening each week in 18 different residential and condo micro-markets throughout Seattle, Mercer Island and the Eastside.

In addition to statistical data, you'll find resources for researching homes and neighborhoods, community profiles, maps, links and school data. And, you can search for every property listed for sale—by any real estate company on **WindermereMI.com**.

JULIE WILSON
REAL ESTATE
